FINANCIAL SECRETARIAT

Directs that the Letter of Credit System be introduced in all the Divisions of the Public Works Department from the current official year.

READ—

Government Order No. Fl. 3272-3342—G. F. 203-39-1, dated the 7th December 1939, sanctioning the introduction of the Letter of Credit System in the Buildings Division, Bangalore, and the Headquarters Range, Mysore, with effect from 1st January 1940, for a period of two years.

2. Report of the Public Accounts Committee on the Audit and Appropriation Accounts of 1938-39.

ORDER No. FL. 1140-1212—G. F. 56-40-1, DATED BANGALORE, THE 27TH AUGUST 1940.

The Public Accounts Committee, who reviewed the Audit and Appropriation Accounts of 1938-39, have observed that in the light of the conditions obtaining at present, the method of limitation of drawings from the Treasury by the introduction of the Letter of Credit System is the only effective way for controlling unauthorised expenditure in the case of large spending departments, and recommend that the Letter of Credit System be extended to all the divisions of the Public Works Department. Government accept the suggestion of the Committee and direct that the Letter of Credit System be extended to all the divisions in the Public Works Department, with effect from the current official year. The Comptroller is requested to take further action in the matter in consultation with the Chief Engineer.
